

Acoustimousse Cirrus is a non-woven high blow vinyl acoustic solution which offers a more aesthetic and functional wallcovering, where sound reduction is required to make an interior more comfortable for occupants. Thanks to the acoustic properties (aw = 0,30) this wallcovering is suitable for theatres, meeting rooms, restaurants and retirement homes. Acoustimousse Cirrus is manufactured on a non-woven polyester backer and is available in 13 colourways.
