LET YOURSELF GO

It's your space. Tell us your ideas and we'll bring them to life.

Go for the wow factor with a large-scale image or add bespoke elements to one of our industry-leading wallcoverings.

Either way we'll make it look amazing.

It's what we do.

WHY MURASPEC?

Because we have the best in the business.

Everything is done by our specialist in-house team. Skilled CAD & studio designers, a team of digital print professionals, plus dedicated project managers. No outsourcing. All this supported by an experienced technical and installation team. Everything you need in one place.

We have a wide range of product options. UV and solvent print solutions, multiple media choices and a wide range of stocked wallcoverings. We can also offer bespoke manufacturing of unique materials, even with a recycled content! All Euroclass fire rated CE compliant and now with Environmental Product Declarations (EPDs).

It's not just wallcoverings we print onto digitally. Ask us about other product solutions, flexible or rigid.

WALLCOVERING EXPERTS

It's not simply about the finest duplication... It's also about creation.

Creation of wallcoverings by wallcovering designers. Either from our bank of designs or to meet your brief. Individually coloured for complete co-ordination.
