

TECHNICAL DATA SHEET

Named after the Karakash River passing east of Khotan, along the Silk Road Trail, the Karakash design reflects the beautifully luxurious essence of natural silks. A serene palette of classic satin hues together with a refined horizontal "fine silk" texture brings style, shine and our unique flair to any space. This perfectly pearlescent wallcovering is versatile enough for any home, hotel or commercial design scheme. This product has a natural characteristic panelled effect once installed, and so is not seamless
