

Motifs is a series of collections inspired by different cultural themes. Our Asia Collection demonstrates a vibrant range of four captivating designs, created at our Kent studio; Nami, Nami Carp, Gingko and Fan. These stunning designs combine a rich Far Eastern cultural ambience with patterns and textures from Nature, and a sense of natural movement - all of which deliver an energising and revitalising quality to both commercial and residential spaces. Our Asia Collection is printed and embossed on a non-woven fabric backing and is Euroclass B fire rated.
