

TECHNICAL DATA SHEET

Motifs is a series of collections inspired by different cultural themes. Our Amazonia collection is a set of enchanting patterns providing a glimpse into a rainbow of exotic creatures and rich vegetation; using the vibrant and lush rainforest flora and fauna as inspiration. Created in our Kent studio, Manos, Rio, Novos and Porto take us on a deep, rich journey into a place with no seasons. The astonishment, beauty and wonder of the rainforests lie in these intricate and complex designs, adding sensational depth and presence to both residential and commercial spaces. Muraspec is working in collaboration with Rainforest Trust, donating 2.5% of sales income for this collection to the charity. This income will help protect the forests' endangered wildlife, safeguard indigenous communities and reduce climate change. Our Amazonia Collection is printed and embossed on a non-woven fabric backing and is Euroclass B fire rated.
