

Introducing 'Amnis,' where every wall tells a story of timeless elegance inspired by the gentle flow of rivers. Derived from the Latin word for "stream," we have encapsulated the fluidity and the cascading grace of streams in our latest wallcovering design.

The metallic but subtle elements bring a touch of sophistication, creating a visual dance that reflects the shimmering quality of water under sunlight. The delicate colour range offers a nuanced palette, allowing you to infuse your space with a sense of calm or make a bold statement. From muted tones that evoke tranquillity, to bolder shades that command attention, Amnis provides a wide choice to choose from for your interior.
