

Reminiscent of the traditional weaving pattern found in twill fabric, 'Herringbone' began as a unique hand-created artwork and then has been made as a sumptuous textured 20oz Type II Osnaburg wallcovering. Its large chevron shaped pattern and zigzag formation beautifully linked with silky metallic and mica accents, offer a truly decadent interior statement stripe. This sophisticated and opulent design is available in 13 colours including: luxurious mica's, rich navy blue and a wide choice of glorious pewters, taupe's, cool mint green, bronze and a warm heather.
