

The Art Deco period features marble extensively, from ornaments through to building interiors. Marble takes a 'stone' finish to a new level of elegance, sophistication and luxury. Garbo uses lavish foils as a base before printing this marble design in an array of realistic colours.

### Product Details

|                            |                     |
|----------------------------|---------------------|
| <b>Design:</b>             | Garbo               |
| <b>SKU:</b>                | 12095               |
| <b>Colour Description:</b> | Brown               |
| <b>Width:</b>              | 52cm                |
